Dear Members,

I hope that all of you had an enjoyable summer. Your negotiating team is gearing up to sit down with Island E.M.S once again, to resume negotiations. As mentioned in prior communications we've made some progress attempting to reach a tentative agreement. We are committed to continue to achieve a fair collective agreement and will continue addressing all of your concerns.

As your president, I am confident that we will be able to present a fair collective agreement, which you all will be happy with. We honour your patience and your support throughout this lengthy process.

Finally, on behalf of your executive we would like to wish you a safe and enjoyable holiday season.

In Solidarity,
