Re: Temporary Area Rep.

Greetings Sisters and Brothers,

I hope that you all are having a great summer. As you all may be aware that Adam Rogers has accepted a Temporary position at the Summerside Base. I congratulate, and wish Adam the best in his new position. However, with Adam accepting the position at the Summerside Base we will be in the need to find a replacement for Area Rep. for your area. As Adam has been involved into negotiations, he will continue to be on the negotiating team, until the process is complete.

The process to replace Adam as your Area Rep. will be as per our Bylaws, in which can be found on our website at www.local3324.ca In the meantime, you're Vice President **Chris Landry**, will assume responsibilities of your Area Rep. until there is a successful candidate. Chris can be reached at the following contact information: e mail: Clandry85@me.com , cell: **(902)569-9532**.

A meeting with in your area will be scheduled shortly to have an election. If there is anyone of you interested in being Area Rep. you can forward your name to Chris. Nominations will also be accepted from the floor.

Have a safe and enjoyable summer!

In Solidarity,

Jason Woodbury
President, Local 3324
